

Help the babies by singing this song

A church of god preacher  
Living on shepherd Ave  
In Cambridge Maryland  
Deprive baby's souls of the sun and light  
They needed to blossom  
By doing immoral things to them

Help the babies by singing this song

And today those acts  
Are depriving preachers souls  
Of the sun and light they need to live  
By lying and covering up  
What their preacher  
Did to babies

Help the babies by singing this song
